RANCHO COTATE HOSTS COLLEGE NIGHT FOR PARENTS & STUDENTS

ROHNERT PARK, CA - On Tuesday, October 21, a standing-room only crowd of approximately 250 parents and students attended Rancho Cotate High School's annual College Night in hopes of demystifying the college application process. Representatives from UC Davis, Sonoma State, Sacramento State, Dominican University, and Santa Rosa Junior College provided a detailed presentation about their campus and what they look for when reviewing college applications. In addition, representatives from Kaplan Test Prep discussed the Kaplan program and how students can use it to increase their SAT or ACT scores. Informational tables around the Multi-use Room provided additional information about college admissions, SAT and ACT testing dates, financial aid and scholarship information. The Rancho Cotate Guidance Department also awarded two \$50 scholarships to two deserving students: Senior Ian Vera, 12th grade and Junior Taylor Morgan. More information regarding the college application process is available through the Guidance Department at Rancho Cotate
