DISTRICT ANNOUNCES SLOGAN CONTEST

ROHNERT PARK, CA - Are you creative? Do you like to play with words? If so, you might be the lucky one to submit the winning entry for the school district slogan contest! The contest runs from Monday, December 15, 2008 through Friday, January 23, 2009. Information regarding the requirements for the slogan is posted on the District's website, www.crpUSD.org, and can be found in the office at all District schools. Entry forms are also available in all school offices, or you can submit your slogan electronically at slogan@crpusd.org. The contest is open to everyone except those individuals who will be a part of the slogan selection committee. The person whose slogan is selected will receive a family pass to all District events where admission is charged for the 2009-2010 school year, except for North Coast Section athletic events. For more information, you may contact the Superintendent's Office at 792-4722.
