

# Guidance Center Bulletin

November 2, 2009

The Guidance Center Bulletin will be published throughout the school year. While the bulletin contains information pertinent to all students, much of the information is especially intended for seniors. Look for information important to you regarding financial aid and college information, as well as general information critical to all students. A hard copy of this bulletin will always be available in the Guidance Center

## SENIORS:

*Reminder* -- 40 hours of community service are required for graduation. If you have not completed this, check with Ms. Kiehne in Guidance to find out how many hours you have to complete. There is a lot of college information posted in the guidance center – college seminars, college preview days, on-site college admissions/scholarship information/community service and more. You need to take the time to visit the Guidance Center. Counselors are available to answer your questions; be sure to make an appointment!

### Test Dates:
