Five-Minute Film Festival Student Spotlight

The Five-Minute Film Festival is an annual countywide event that provides an opportunity for K-12 students to demonstrate learning in a 21st century context and showcase their work in front of a community audience. To participate, students create, as individuals or in groups, short videos (up to five-minutes long) on a designated theme and submit them to SCOE for judging by a celebrity panel. The top films debuted on Monday, 4-11-2022 at the Rialto Cinemas in Sebastopol.

Surjin Banwait's film, VLA/LJMS student, was selected among the top 12 films to be presented at the film festival and it debuted on Monday evening. Surjin did an amazing job of demonstrating how local heroes have positively impacted his life.

I hope you will take some time to view this [Five-minute film](#). Top films from the Five -Minute Film Festival will also be entered into the Alexander Valley Student

Film Competition.

Congratulations Surjin!

ALL STAR TEACHER VOTING

As promised, [HERE](#) is the link to vote for your All STAR teacher, Jessica Holman! Keep in mind that if she receives the most votes, Rancho Cotate would receive \$20,000! Please vote daily and let's help one of our schools win. [Here](#) is a video link of finalists and their biographies. Again...Congratulations Jessica!

Covid Vaccination Update

The following email will be sent to CRPUSD families at 3:00pm today, regarding the update on COVID vaccinations.

We have received important news to share with you regarding the bill requiring student vaccinations against COVID-19. The California Department of Public Health (CDPH) [announced yesterday](#) evening that it will postpone the regulatory process used to require COVID vaccinations for public and private school attendance.

Covid Vaccination Update cont:.....

The requirement, which was expected to go into effect for the 2022-23 school year on July 1, 2022, will not be implemented until after full federal Food and Drug Administration approval and no sooner than July 1, 2023. The department's decision takes into consideration that full approval for the vaccine for individuals of all ages within the 7-12 grade span has not yet been granted by the FDA.

The CDPH's full statement can be read [here](#).
