

Cotati Rohnert Park Unified School District

Board Highlights

Board Highlights provides important information about the work of the Cotati Rohnert Park Unified School District's Board of Education. Following Board meetings on a regular basis, CRPUSD will publish Board Highlights as a resource for the greater CRPUSD community on Board discussions, actions, and activity.

Below are updates from the November 14, 2023 Board Meeting. Click [HERE](#) for the agenda.

Presentations

Black Student Union (BSU) and MeChA presented their community outreach for the fall as well as their upcoming events. We are very grateful to the students and their advisors for their efforts to unite our community and provide engagement opportunities. [See presentation](#)

Marguerite Hahn

Fifth grader Blake and Principal Hankerson presented information on the Hahn Garden. This labor of love is looking amazing and is highly used by the school community.

Student Board Members

Naomi and Samantha provided the Trustees with information about high school activities and student highlights. Their presentations are available on the video recording of the meeting on the CRPUSD website.

Consent Agenda

A couple of highlights include the approval of a White Van Fleet for our secondary schools for events and activities off campus. In addition, we will begin the new facilities planning for the 2024 school year. We need to update our plans and in particular to include our TK needs.

Personnel Services

The bargaining team of RPCEA and district management members came to agreements on two Memorandums of Understanding (MOU) for adjunct duties and prep coverage. Thank you to both teams for their hard work and to the teachers for ratifying the MOUs.

Board Services

Several Board Policies were updated to reflect current California School Board Association recommendations and California Education Code. Some of the updated policies include: Civility, Use of Facilities, Hate Motivated Behavior and Academic Honesty. For a full description please see our website under the Board tab.
