

Signing into Lexia at Home

Using a Computer:

1. Go to my.crpusd.org
2. Log in with students username and password or click the QR code scanner if your Teacher provided you with a Quickcard

3. Click on the Lexia Core 5 app located on the students Classlink Dashboard

Using an iPad:

1. Download the Classlink app and the Lexia Core 5 app
2. Launch the Classlink app and sign in with student's username/password or the QR scanner
3. Click Lexia Core 5 from the Classlink Dashboard (This should prompt the Lexia app to open)
 - a. If the Lexia app opens but doesn't automatically log the student in, try closing both apps and revisit step 2

****Important, students can NOT log into the Lexia website directly. All students must first log into Classlink (my.crpusd.org) and launch Lexia from there.**
