

Board Policy

Comprehensive Safety Plan

BP 0450

Philosophy, Goals, Objectives and Comprehensive Plans

The Governing Board recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others.

The school site council at each district school shall develop a comprehensive school safety plan relevant to the needs and resources of that particular school. (Education Code 32281)

The school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site.

Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286)

Each school shall forward the safety plan to the Board for approval. (Education Code 32288)

By October 15 of each year, the Superintendent or designee shall notify the California Department of Education of any schools that have not complied with the requirements of Education Code 32281. (Education Code 32288)

Administrative Regulation **Comprehensive Safety Plan**

AR 0450

Philosophy, Goals, Objectives and Comprehensive Plans

Development and Review of Comprehensive School Safety Plan

When developing the comprehensive school safety plan, the school site council shall consult with local law enforcement as well as other school site councils and safety committees, when practical. (Education Code 32281, 32282)

In addition, the school site council may consult with other local agencies as appropriate, including health care and emergency service providers.

The school site council may delegate the responsibility for developing a school safety plan to a school safety planning committee. This committee shall be composed of the following members: (Education Code 32281)

1. The principal or designee
2. One teacher who is a representative of the recognized certificated employee organization
3. One parent/guardian whose child attends the school
4. One classified employee who is a representative of the recognized classified employee organization
5. Other members, if desired

Before adopting its comprehensive school safety plan, the school site council or school safety planning committee shall hold a public meeting at the school in order to allow members of the public the opportunity to express an opinion about the school safety plan. (Education Code 32288)

The school site council or safety planning committee shall notify, in writing, the following persons and entities of the public meeting: (Education Code 32288)

1. The local mayor
2. A representative of the local school employee organization
3. A representative of each parent organization at the school site, including the parent teacher association and parent teacher clubs
4. A representative of each teacher organization at the school site
5. A representative of the student body government
6. All persons who have indicated that they want to be notified

In addition, the school site council or safety planning committee may notify, in writing, the following entities of the public meeting: (Education Code 32288)

1. A representative of the local churches
2. Local civic leaders
3. Local business organizations

Content of the Safety Plan

The districtwide and/or school site safety plan shall include an assessment of the current status of school crime committed on campus(es) and at school-related functions. (Education Code 32282)

The plan also shall identify appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. The plan shall include the development of all of the following: (Education Code 32282)

1. Child abuse reporting procedures consistent with Penal Code 11164
2. Routine and emergency disaster procedures including, but not limited to:
 - a. Adaptations for students with disabilities in accordance with the Americans

with Disabilities Act

- b. An earthquake emergency procedure system in accordance with Education Code 32282
- c. A procedure to allow a public agency, including the American Red Cross, to use school buildings, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare
3. Policies pursuant to Education Code 48915(c) and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations
4. Procedures to notify teachers of dangerous students pursuant to Education Code 49079
5. A discrimination and harassment policy consistent with the prohibition against discrimination pursuant to Education Code 200-262.4
6. If the school has adopted a dress code prohibiting students from wearing "gang-related apparel" pursuant to Education Code 35183, the provisions of that dress code and the definition of "gang-related apparel"
7. Procedures for safe ingress and egress of students, parents/guardians, and employees to and from school
8. A safe and orderly school environment conducive to learning
9. The rules and procedures on school discipline adopted pursuant to Education Code 35291 and 35291.5
10. Hate crime reporting procedures

Among the strategies for providing a safe environment, the school safety plan may also include:

1. Development of a positive school climate that promotes respect for diversity, personal and social responsibility, effective interpersonal and communication skills, self-esteem, anger management, and conflict resolution
2. Disciplinary policies and procedures that contain prevention strategies, such as strategies to prevent bullying, hazing, and cyberbullying, as well as behavioral expectations and consequences for violations
3. Curriculum that emphasizes prevention and alternatives to violence, such as multicultural education, character/values education, media analysis skills, conflict resolution, and community service learning

4. Parent involvement strategies, including strategies to help ensure parent/guardian support and reinforcement of the school's rules and increase the number of adults on campus
5. Prevention and intervention strategies related to the sale or use of drugs and alcohol which shall reflect expectations for drug-free schools and support for recovering students
6. Collaborative relationships among the city, county, community agencies, local law enforcement, the judicial system, and the schools that lead to the development of a set of common goals and community strategies for violence prevention instruction
7. Procedures for responding to the release of a pesticide or other toxic substance from properties located within one-quarter mile of the school
8. Procedures for receiving verification from law enforcement that a violent crime has occurred on school grounds and for promptly notifying parents/guardians and employees of that crime
9. Assessment of the school's physical environment, including a risk management analysis and development of ground security measures such as procedures for the closing of campuses to outsiders, surveillance systems, securing the campus perimeter, protecting buildings against vandalism, and providing for a law enforcement presence on campus
10. Crisis prevention and intervention strategies, which may include the following:
 - a. Identification of possible crises that may occur, determination of necessary tasks that need to be addressed, and development of procedures relative to each crisis, including the involvement of law enforcement and other public safety agencies as appropriate
 - b. Assignment of staff members responsible for each identified task and procedure
 - c. Development of an evacuation plan based on an assessment of buildings and grounds and opportunities for students and staff to practice the evacuation plan
 - d. Coordination of communication to schools, Governing Board members, parents/guardians, and the media
 - e. Development of a method for the reporting of violent incidents

f. Development of follow-up procedures that may be required after a crisis has occurred, such as counseling

11. Staff development in violence prevention and intervention techniques, including preparation to implement the elements of the safety plan
