Join the CRPUSD 5th Grade in their fundraising efforts to support EVERY 5th grader attending outdoor education in January/February 2023.

The students are going to Naturbridge Golden Gate Campus for 3 days and 2 nights. In those 3 days they will explore the marine and geology natural environment, participate in team building activities and they will develop independence and agency. What a treat! Please send in an RSVP for the event so that we can account for food. Payment will be taken at the event.

Thank You Rotary Club of Rohnert Park-Cotati

A big thank you to our local Rotary Club. They donated over \$5000.00 worth of supplies to our district. This week we began the process of distributing these school supplies to all of our sites. If you have a student that is in need, please contact your Office Manager and they can assist you. **BACK
TO
SCHOOL**

Thank you to all of our CRPUSD staff that made our Back to School Nights successful. We had great attendance by our families. Teachers and Administration were able to share expectations to set the tone for a successful year in learning! Our district has not been able to have Back to School Night in two years! It was a pleasure to have our families back on campus.

Ribbon Cutting at John Reed Elementary

Friday, August 26th was an exciting day. Rep. Mike Thompson, Superintendent Dr. Perez, and John Reed Principal, AnnaMaria Young helped present the Petaluma Health Centers mobile health unit. This mobile clinic will increase access to care in our community. Access to primary care, mental health, and dental care are among the services that this mobile clinic will be able to provide. Expanding Learning Opportunities

The Expanded Learning Opportunities Program (ELO-P) is off and running! This continuous grant is designed to provide students with opportunities to engage in safe, quality and enriching programs after school. Giving priority to our most vulnerable students, we began by sponsoring students at each elementary site with YMCA spots free of charge! We are gradually adding enrichment programs at each site. Music and Taekwondo are starting soon! If you have an idea for a class you'd like to offer or a community resource you'd like to see at your school, reach out to Expanded Learning Program Manager, Alana De Mars!
